About Us

GP Synergy is a leading provider of general practice training funded by the Australian Government to deliver vocational training to doctors seeking to specialise as general practitioners across NSW and ACT.

We are committed to building a skilled general practice workforce by delivering a high-quality education and training program that is responsive to regional population health needs.

Our organisation is underpinned by our values - respect, excellence and initiative.

The Role

GP Synergy is seeking a committed and suitably experienced medical educator to join our NSW/ACT medical education team as the Deputy Regional Head of Education in the following regions:

- North Coast NSW
- Nepean, West and Northern Sydney
- ACT and Murrumbidgee

The Deputy Regional Head of Education will assist with the delegated duties of the Regional Head of Education and will provide relief for periods of leave. The role involves all other Medical Educator responsibilities, which may include: the development and delivery of education activities, assessment of registrar performance, supervisor development and support, registrar training support and guidance, as well as other training related activities.

We are seeking GP's with Fellowship of either the RACGP or ACRRM with experience and an interest in medical education. Becoming involved in general practice medical education provides the opportunity to develop the future health workforce, enabling succession planning through the provision of well trained and highly skilled general practitioners.

Hours and time commitment for this position are negotiable. Some travel mostly within the region is required.

Selection Criteria

To be considered for this opportunity, it is essential that applicants meet the following criteria together with the requirements as outlined in the position description Medical Educator (Grade 4B):

- Fellowship of either the RACGP or ACRRM
- Current vocational registration
- Experience in medical education
- Unrestricted motor vehicle licence (own transport is preferred)
