About Us

GP Synergy is a leading provider of general practice training funded by the Australian Government to deliver vocational training to doctors seeking to specialise as general practitioners across NSW and ACT from 1 January 2016.

We are committed to building a skilled general practice workforce by delivering a high-quality education and training program that is responsive to regional population health needs.

Our organisation is underpinned by our values - respect, excellence and initiative.

The Role

GP Synergy is seeking a committed and suitably experienced medical educator to join our NSW/ACT medical education team as the Director of Supervisor Education.

Reporting to the Director of Education and Training, the Director of Supervisor Education provides leadership in supervisor professional development and is responsible for the planning, development, delivery and evaluation of the GP supervisor professional development program.

The responsibilities of the Director of Supervisor Education will include the development and delivery of supervisor education activities, supervisor support, as well as registrar training support and guidance, and other training related activities.

We are seeking GPs with Fellowship of either the RACGP or ACRRM with a substantial level of experience and a particular interest in supervisor education. Becoming involved in general practice medical education provides the opportunity to develop the future health workforce, enabling succession planning through the provision of well trained and highly skilled general practitioners.

Hours and time commitment for this position are negotiable. Some travel across ACT and NSW is required.

Selection Criteria

To be considered for this opportunity, it is essential that applicants meet the following criteria together with the requirements as outlined in the position description Medical Educator (Grade 5B):

- Fellowship of either the RACGP or ACRRM
- Medical Practitioner with current unconditional medical registration with AHPRA
- Relevant and current experience as a practising GP
- Unrestricted motor vehicle licence (own transport is preferred)

Applicants with the following will be highly regarded:

- Experience in medical education and training including an understanding of educational principles and methods of teaching and learning
- Attainment of education qualifications
