About us

GP Synergy is a leading provider of general practice training funded by the Australian Government to deliver vocational training to doctors seeking to specialise as general practitioners across NSW and ACT.

We are committed to building a skilled general practice workforce by delivering a high quality education and training program that is responsive to regional population health needs.

Our organisation is underpinned by our values - respect, excellence and initiative.

The role

GP Synergy is seeking committed and experienced medical educators who share our values to join our NSW/ACT medical education team in the following regions:

- Nepean, Western and Northern Sydney
- Central, Eastern and Southwest Sydney
- Western NSW
- South Eastern NSW

Medical Educator responsibilities include the development and delivery of education activities, assessment of registrar performance, supervisor development and support, registrar training support and guidance, as well as other training related activities.

We are seeking GP's with Fellowship of either the RACGP or ACRRM with experience and an interest in medical education. Becoming involved in general practice medical education provides the opportunity to develop the future health workforce, enabling succession planning through the provision of well trained and highly skilled general practitioners.

Hours and time commitment for this position are negotiable. Some travel mostly within the region is required.

Selection criteria

To be considered for this opportunity, it is essential applicants meet the following criteria together with the requirements as outlined in the Medical Educator position description grade 1 - 4:

- Fellowship of either the RACGP or ACRRM
- Current vocational registration
- Experience in medical education
- Unrestricted motor vehicle licence (own transport is preferred)
