About us

GP Synergy is a leading provider of general practice training funded by the Australian Government to deliver vocational training to doctors seeking to specialise as general practitioners across NSW and ACT.

We are committed to building a skilled general practice workforce by delivering a high quality education and training program that is responsive to regional population health needs.

Our organisation is underpinned by our values - respect, excellence and initiative.

The role

GP Synergy is seeking a committed GP Registrar Medical Educator who shares our values to join our NSW/ACT medical education team in 2018 term 2 in each of the following regions:

- ACT and Murrumbidgee
- Central, Eastern, South Western Sydney
- Hunter, New England and Central Coast
- Nepean, Western and Northern Sydney
- North Coast NSW
- South Eastern NSW
- Western NSW

Reporting to the Director of Education and Training ACT and NSW and the Regional Head of Education, the primary purpose of this role is to assist in the design and delivery of the formal educational program for GP Synergy registrars. The GP Registrar Medical Educator will take a role in the planning, delivery and evaluation of the General Practice vocational training provided by GP Synergy and will work together with a senior medical educator in carrying out those tasks.

Activities will include providing practical assistance and support to GP registrars and hands on development and implementation of educational resources.

We are seeking medical practitioners who are current AGPT registrars, ideally completed GPT2 who have an interest in GP registrar education. Becoming involved in general practice medical education provides the opportunity to develop the future health workforce, enabling succession planning through the provision of well trained and highly skilled general practitioners.

Selection criteria

To be considered for this opportunity, it is essential that applicants meet the following criteria together with the requirements as outlined in the position description GP Registrar Medical Educator:

- Current AGPT registrar working towards Fellowship of either the RACGP or ACRRM
- Medical Practitioner with current unconditional medical registration with AHPRA
- Must have completed GPT1 and ideally completed GPT2
- Unrestricted motor vehicle licence (own transport is preferred)

Specific hours and time commitment for this position are negotiable to a maximum of 2 days per week. Some travel, mostly within the region, is required.
