

Exam preparation calendar for registrars sitting Remote Clinical Exam (RCE) in 2020

Welcome to the exam preparation series for registrars sitting the RACGP RCE in 2020

- **Exam preparation resources:** A list of useful exam preparation resources can be found on GPRime under 'Forms, Documents & Links' - just search 'exam'.
- **No longer able to take part in a session?** Please let us know: Exam workshops take a lot of preparation and logistics. We engage many educators to participate to ensure you get a personalised experience and individual feedback. If you can no longer attend an event, please let us know as soon as possible. No shows may be ineligible to attend future events.
- **RACGP website:** Please ensure you visit the [RACGP website](#) for the most up to date details about fellowship assessments.

We highly encourage registrars to take part in the RACGP Mock RCE to gain confidence in the new exam format.
